FUN RUN

PTO has extended the deadline to make donations for our school until October 17th. Thank you for your support.

SCIENCE

We're continuing our focus on the four seasons and apples. On Friday, we tasted yellow apples and red apples. The students used our "voting box" to indicate the flavor which they like the best. (This also ties into the five senses... with tasting ☺)

We will tally up our votes on Monday to determine the class "favorite". ☺

Last week we practiced & reviewed the alphabet letters: Oo & Pp (we didn't get to as many letters last week... due to Late start & our field trip)

Please review the letter sounds & practice letter formation. www.starfall.com is a great website

HALLOWEEN PARTY

Please read the special note regarding our classroom Halloween party.

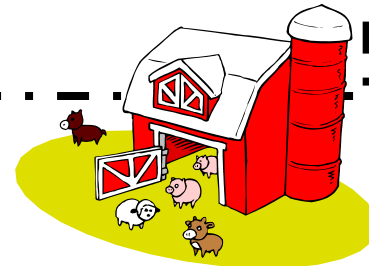

Consider making a donation of \$3-\$5 for supplies or sign up for something specific here: www.SignUpGenius.com/go/70A0A4CACAB2EA75-friday/21763382

We look forward to seeing you for our Halloween Festivities on the 24th ☺

We will have school as usual on October 31st.

Morning Literacy Stations

Our learning goals are to practice letter formation, write our names with one capital & the rest lower case, develop confidence with naming letters & saying the letter sounds.

FARM FIELD TRIP

We had an amazing field trip to the Upland Hills Farm. Thank you to all of our wonderful chaperones.

It was such a beautiful fall day. The students enjoyed the animals, the hay ride & picking a pumpkin from the field. Photographs are posted on our class website. ☺

POETRY Folders

will be sent home this coming Friday.
