

Kindergarten
Mrs. Carson's
Classroom Connection
November 24, 2014

We are Readers!

- Readers pay attention to the words in the text. (Eyes on the words)
- Readers match their voice to the words in the book (one-to-one match)

ALPHA-FRIEND & SIGHT WORDS

Alphafriend of the Week:
Tiggy Tiger "T"

Our focus words:

my, like, a, I, see,
can, the, we

It's really important to be able to find & identify words within text. Be a "word detective"!

WE ARE WRITERS!

Writers talk about things that are important to them. We tell stories about special people, places and things.

We draw pictures to communicate our stories.

We write words to tell details about our stories.

Remember to **LABEL** all snowpants, hats, gloves, boots and scarves. **A simple trick:** use a piece of masking tape with a permanent marker for your child's first & last name.

The lost & found is filling up! If you're missing something specific, remind your child or write me a note ☺

Reminders

- NO SCHOOL Nov. 26-28 Happy Thanksgiving!
- Send in a family photo - Our FAMILY board looks great... thank you to all the families we've got on display ☺
- Family Album pages are due on Monday, November 24th
- BLUE folders are returned to school daily
- Poetry folders need to be returned each Monday.

When your child orders hot lunch, please remember to send a healthy snack for the afternoon. ☺ Many children are coming to school without their daily snack. We take time for afternoon snack each day. Thank you ☺

Parent/Teacher Conferences

Parent/Teacher conference reminders will be coming home in your child's folder on Monday.

Our schedule is tight... I've got all time slots filled for both nights. If for some reason you need to reschedule, please let me know in advance. Each parent has a 15 minute time slot. Please try your best to arrive a few minutes early, so that you're ready to come in at the scheduled time. I'll do my best to honor your time & keep to the schedule. I look forward to meeting with you & sharing your child's progress & goals for the school year!

We are Mathematicians!

We're exploring numbers, counting, naming & recognizing numbers.

Ask your mathematician about "counting collections". What is a counting collection & what do you do with it?
