

Kindergarten
Mrs. Carson's
Classroom Connection
September 12, 2014

***Each Friday I will send home a weekly classroom newsletter (this is it). Please read it to find important reminders & information about what we've been learning ☺

***Please use the blue dolphin folder for home/school communications. Empty the folder each night & return to school the next day. Encourage your child to complete any unfinished work from the day ☺

*** Again, Thank you to all families that have sent in classroom supplies. I truly appreciate your generosity.

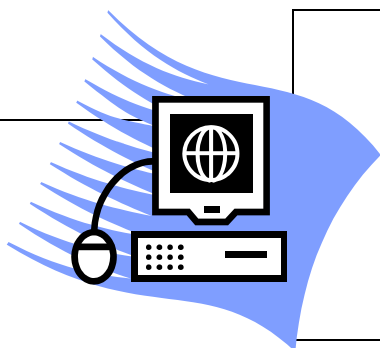

We are Mathematicians!

We're exploring shapes & their attributes.
Essential questions that will guide our learning:
What role do shapes have in our world?
How are shapes made?
Where do we see shapes?
How are shapes helpful to us?
How are shapes the same & different?

There should be a nametag zip tied to your child's lunchbox & also to his/her backpack, please leave it attached ☺. This will help with dismissal routines & management in the classroom.

Thank you ☺

Reminders

Please label all clothing items: jackets, sweatshirts, etc.
A piece of masking tape with a marker works great.
I am not able to match up some of the "found" articles of clothing with the correct child.

POWER SCHOOL: You are getting the login information to set up your POWER SCHOOL account. (Friday in your child's folder) You will need this to view your child's progress notes, report cards & attendance records. Please be sure to login & set up your account.

Blankets & Snacks

Towels will be sent home every Friday to be washed & return on Monday.

Please remember to send a healthy snack each day for our afternoon snack break.

This week we practiced & reviewed the alphabet letters: Aa, Bb, Cc, Dd

We are using the terminology:
Upper Case & Lower Case

Please review the letter sounds & practice letter formation.

www.starfall.com is a great website

Our Mandarin Chinese lessons will begin next week. We will have Miss April Liu teaching at Doherty this year. She will be in our classroom on Monday mornings & Wednesday afternoons.

We will also have some high school helpers (former students of mine) working in our classroom to earn community service hours for their high school coursework requirements.
