

November Family Project
We Are Thankful for Our Families
Due: Monday, November 24th

Your family is SPECIAL and we would like to give everyone in the class a chance to meet them. With your help, we would like to create a class book that will introduce all the families & honor what makes your family special. ☺

As the family project this month, please use the attached paper (or your own scrapbook paper- the same size) to compose a page about your family. You may use the front & back sides of the page. Include photos (not returnable). Also include general information about your family. You may want to add parents' jobs, brothers and sisters, pets, favorite foods, games, activities, etc... Use any mediums you choose: crayons, paints, stickers, magazine photos, etc... The pages will be displayed in plastic page protectors, please do not use 3D objects to decorate the paper.

We will assemble the pages into a book the children can bring home on a rotating basis to share with their families. It will take a while, but you will get to see the book and meet all the people in our classroom family!

Please return your finished page by Monday, November 24th

Thank you in advance for helping with this very special family project.

We can't wait to see your masterpiece!

Sincerely,

Mrs. Carson
